

# Addendum 1 to RFP 17-18-200-IT, Erate eligible Internet access

## Questions

### **Question emails on 2/13/18**

Are you looking to increase your bandwidth?

### **Answer:**

Yes we want to increase our current bandwidth at our main building from 50 Mbps to 500 Mbps. We are also looking for new service at the Simm's Annex of 100 Mbps.
